## From the Gals in the Office

*Happy Holidays! We had a great November, some new friendly faces joined us, and for those of you who joined in on the fun- a cheerful Thanksgiving party in the clubhouse, complete with two turkeys that were "gobbled" up along with all the fantastic side dishes you awesome folks brought for the pot luck to make it a fun, successful evening. We will be posting a few photos on our Facebook Page...Stay tuned!*

*I hope you are all relaxing and not stressing too much about the upcoming holiday events. Because, as we all know about the past one, Thanksgiving is a day we eat turkey, pumpkin pie and watch football (although, let's face it- our Chargers are getting pummeled), but it's much more than just a day to just get stuffed and sit around. It's a day for us to reflect on what we have, and be thankful. The staff at Oak Creek would like to express our sincerest gratitude to you. You, our guests, are what help us make us the shining resort that we are. Thank you.*

*Last month, we said goodbye to Linda, a superstar manager and overall great person. She will be missed and wants each and every one of you to know that you will be missed by her dearly- because, as you all know, the RV resort becomes family after awhile.*

*This month I look forward to meeting each and every one of you, and hope that you will join in later this month for a festive holiday celebration!*

### Directions:

In a large stock pot add potatoes, celery, onion, chicken bouillon, water and parsley flakes. Season with salt and pepper and simmer until vegetables become tender.
